TRAVELLER NOTES

What travellers say

★★★★★

"We had an unforgettable 26-day trek with Community Trek from Sivalaya to Everest Base Camp via Gokyo Valley and Cho La Pass. As a fully Nepalese-owned company, we appreciated knowing our money stayed in Nepal. Ramesh expertly organized everything and was a friendly, knowledgeable, and safety-conscious guide who kept a comfortable "bistari, bistari" (slow but steady) pace, helping us avoid altitude sickness. He also shared Nepalese culture, local stories, and his deep love for the mountains. The trek was challenging but incredibly rewarding, and we highly recommend Community Trek. We would happily trek with them again. Thank you, Ramesh!"

"I had such an amazing trekking experience with Ramesh. He knows the Himalayan trails, nature, and local culture so well, and his knowledge made the whole journey even more enjoyable. Since I was traveling alone, he supported me from the moment I arrived in Kathmandu and always made sure I felt comfortable and safe. Ramesh is much more than a guide—he became a great friend along the way! He is also an incredible photographer and captured so many beautiful memories from the journey. I highly recommend Community Trek and Ramesh to anyone visiting Nepal, whether you are planning a trek or simply want to discover the country with someone who truly loves and understands it."
